Dear Sir:

On September 11, 2006 and September 15, 2006, proposed amendments to the claims were discussed between the undersigned and the Examiner. During the interview held on September 15, 2006, the Examiner indicated that proposed amendments submitted by the applicants would be sufficient to place the application in condition for allowance, except that Claims 61-66 would need to be amended to depend from Claim 58. The Examiner further indicated that such amendments to Claims 61-66 would be entered through an Examiner's Amendment. The proposed amendments submitted by Applicants and the Amendment to Claims 61-66 are included in the Notice of Allowance papers mailed on October 4, 2006.

Respectfully submitted,

SHERIDAN ROSS P.C.
